

Warsaw, 20 December 2005

Dear All,

Following the EUROPEAN PV ASSOCIATIONS' POSITION PAPER ON A FEED-IN TARIFF FOR PHOTOVOLTAIC SOLAR ELECTRICITY prepared within of the PV Catapult project (European Commission 6 FP project, No. 503530) released during 20th European Photovoltaic Solar Energy Conference in Barcelona, we have a pleasure to invite you to the next meeting of this project which will be organized in Warsaw on Friday, 13 January 2006. The meeting will be devoted to the issues connected with the Work Package 6 of the project – "Enlarged EU market". The purpose of the meeting is to promote an EU-wide feed-in tariff together with the national associations and to define the strategy of dissemination of commonly obtained approach at EU and national level.

We hope you will accept our invitation to the meeting and we would appreciate your early confirmation. We expect about 25-30 participants from the different European Photovoltaic Energy Associations, and European industrials as well. We are trying to secure funds to cover, at least, part of the travel expenses of the participants.

You are cordially invited to a dinner to be held on Thursday, 12 January 2006 at 19:00.

Attached you will find:

- a preliminary agenda
- a registration form

Best regards,

Dr. Winfried Hoffmann
EPIA Board Member
